

COOL Time Ideas

COOL time stands for, 'continuing our own learning'. During COOL time, we use what we have learned during the week or things we have enjoyed, to inspire us to continue our own learning independently in a range of creative ways.

Here are some ideas to help inspire you when you have finished your lessons!

Create your very own Paddington Bear to help you to retell the story.

Decorate the Paddington Bear by painting, colouring in or using different craft materials.

Follow the link to find out how to create a fuzzy bear painting:
