

To use a number track whilst adding numbers

Write the numerals 0-10 on the muddy number track. Cut out one of the three little pigs and have a go at following the instructions.

Start on 0. Jump 2 puddles. What number is the pig on now? $0 \text{ add } 2 \text{ equals } 2$.

Start on 4. Jump 3 puddles. What number is the pig on now? $4 \text{ add } 3 \text{ equals } 7$.

Start on 3. Jump 2 puddles. What number is the pig on now? $3 \text{ add } 2 \text{ equals } 5$.

Start on 5. Jump 1 puddles. What number is the pig on now? $5 \text{ add } 1 \text{ equals } 6$.

Start on 6. Jump 4 puddles. What number is the pig on now? $6 \text{ add } 4 \text{ equals } 10$.
