

W/B 22nd February 2021

To add two sets of pictures together to make a total

Add up how many there are. Write your answers in the circle.

$$\begin{array}{ccccccc}
 \text{house} & \text{house} & \text{house} & \text{house} & \text{house} & + & \text{house} & \text{house} & \text{house} & \text{house} & \text{house} & = & \bigcirc
 \end{array}$$

$$\begin{array}{ccccccc}
 \text{pig} & \text{pig} & \text{pig} & \text{pig} & + & \text{pig} & \text{pig} & = & \bigcirc
 \end{array}$$

$$\begin{array}{ccccccc}
 \text{glove} & \text{glove} & \text{glove} & + & \text{glove} & = & \bigcirc
 \end{array}$$

$$\begin{array}{ccccccc}
 \text{log} & \text{log} & \text{log} & \text{log} & + & \text{log} & \text{log} & \text{log} & = & \bigcirc
 \end{array}$$
