

Small container

Here is a picture of the small container I have chosen:

I predict it will take ____ cups to fill the container.

It actually took ____ cups to fill the container.

Medium container

Here is a picture of the medium sized container I have chosen:

I predict it will take ____ cups to fill the container.

It actually took ____ cups to fill the container.

Large container

Here is a picture of the large container I have chosen:

I predict it will take ____ cups to fill the container.

It actually took ____ cups to fill the container.
