LO: To understand and interpret tallies, bar charts, pictograms and simple tables

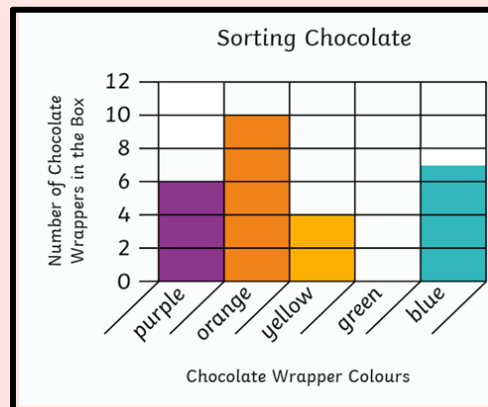

Table

Class - Favourite pet	
	Total
Cat 	
Rabbit 	
Dog 	
Horse 	

Tally Chart

Class - Favourite Disney Film	
Film	Total
Lion King 	
Moana 	
Dumbo 	
Mulan 	

Bar Chart

Pictogram

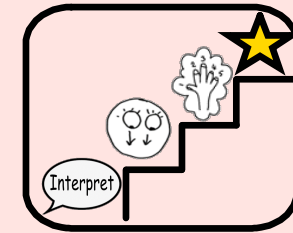

What is the same about them?

What is different?

3

LO: To understand and interpret tallies, bar charts, pictograms and simple tables

Complete the worksheet using the 4 types of chart we have learnt this week.

1. Use the table to answer the questions below

Favourite School Activity	
Subject	Total
Maths	12
Science	4
PE	10
History	7
Music	7

A) What is the most popular subject? _____

B) What is the least popular subject? _____

C) Which subject did 4 people choose? _____

D) Which subjects did the same number of people choose? _____

2. Use the table to answer the questions below

Here is a tally chart of what the favourite sea creatures of pupils in a class were:

Sea Creatures	Tally	Number of Pupils
Clown fish		5
Stingray		3
Octopus		4
Seahorse		8
Angel fish		7
Puffer fish		

1. Use the table to answer the questions below

Favourite School Activity	
Subject	Total
Maths	12
Science	4
PE	10
History	7
Music	7

A) Which subject did fewest people choose? _____

B) How many children liked Music and PE? _____

C) What is the difference between the number of children who liked Maths and Science? _____

D) How many children were asked in this survey? _____

1. Use the table to answer the questions below

Favourite School Activity	
Subject	Total
Maths	12
Science	4
PE	10
History	7
Music	7
Total Children	43

A) Which subject is the second favourite? _____

B) How many children altogether liked Music, Science and PE? _____

C) How many children liked History? _____

D) If 3 more children join the class and they all choose PE, will that change the favourite subject? _____

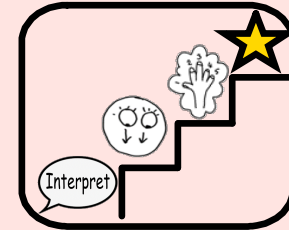

2. Use the Tally Chart to answer the questions below

Here is a tally chart of what the favourite sea creatures of pupils in a class were:

Sea Creatures	Tally	Number of Pupils
Clown fish		5
Stingray		3
Octopus		4
Seahorse		8
Angel fish		7
Puffer fish

Plenary talk placemat

Today I have learnt that.....

Before this lesson I could already.....

The most important thing I learned today is.....

I have found out several things on the topic of....
Firstly I found out that.....
Furthermore, I

Discuss with a partner before you share it with the class.

One thing I need to remember from today's lesson

Today I have tried to.....

I did not know how to....
.....but now I can...

I was successful when I.....
