

As Winter is coming to an end, look for early signs of Spring.

Hide an object and help your blindfolded sibling/grownup to find it using instructions.

Pretend you are a piggy from 'The Three Little Pigs' - Use materials around you to make a house.

Outdoor Learning

"Look deep into nature and you will understand everything better"

- Albert Einstein

Collection Game

Collect several natural objects (8-12). Ask your child to sort them into different groups e.g. by size/colour/texture

Mark a distance and see how many footsteps it takes you to get there. How could you increase or decrease the amount of steps you take?

Can you throw a ball/beanbag through a hoop?
How many points can you score in 1 minute?
