

Herne CE Infant and Nursery School

EQUALITY & DIVERSITY POLICY

Rationale

Herne CE infant and Nursery School are proud to adhere to the Equality Act 2010. We believe that everyone has the right to be treated fairly and with respect and that all children have the right to access their education without risk or prejudice.

Our vision is a highly educated society in which opportunity is more equal for children and young people, no matter what their background or family circumstances. We will achieve this vision through strategic aims, which are mutually reinforcing. The associated actions are intended to benefit all children in our school community. We publish and promote the Equality Policy through our school website and in staff meetings.

Our Vision for Diversity & Equality

At Herne, our vision is to encourage and enable inclusion and achievement through the management of staff, curriculum, pupils, parents and carers in an environment that recognises the different life chances that individuals have and work to achieve.

Our aim is to promote:

“Our school family: learning, loving and growing together rooted in God’s love”

In our school we are confident that our ethos of providing a safe, friendly, caring, inclusive and respectful space will be evident to all who come into contact with our community. The school Christian values and ethos is the foundation that underpins every aspect of our educational practice.

We believe that all children should be encouraged to aspire to lead a happy and fulfilling life, whatever form that may take.

We recognise that at times learning can be challenging, but will ultimately be something to reflect upon with pride. We aim to equip everyone, in our learning community, so that they can adapt to situations as they meet them and move towards the future with confidence.

How will we achieve this at Herne?

We will achieve this by:

- Addressing inequality and discrimination that may occur within the workforce and the school community.
- Celebrating and embracing diversity that exists in the school and its wider community, enabling children to visit places which will broaden their attitudes **towards other cultures, religions** and societies.
- Welcoming visitors to Herne, to enrich our curriculum and inspire our children.
- Ensuring that the delivery of the curriculum reflects and takes into account equality and diversity issues.
- Creating opportunities for the wider involvement of all stakeholders including: staff, governors, children, parents and carers through consultation, participation and partnership working.
- Ensuring that our vision is shared with all stakeholders.

Aims

Every individual within the school community has the same chances and the same opportunities to achieve their full potential both academically and socially, ensuring that all children are well-rounded when they leave our school. We recognise and celebrate individual talents and ensure that our children learn to be caring and responsible citizens. Our curriculum promotes understanding, tolerance and mutual respect for all members of our community, regardless of differences.

As a school we aim to ensure that positive attitudes are fostered by all, and that prejudices are constantly challenged and broken down.

Legal Requirements

Everyone has the right to be treated with dignity and respect. As a school, we have legal responsibilities under the Equality Act 2010 which prohibits direct and indirect discrimination, harassment and victimisation of people on the grounds of protected characteristics. This means that as a school we must not discriminate against, harass or victimise pupils and other stakeholders:

The Governing Body is legally responsible for ensuring the Equality Act is observed by all staff in school. However, everybody involved in the school community has a responsibility to ensure that the spirit of the policy and its legal requirements are observed.

Who is protected?

The protected characteristics of the school's provision are:

- Disability
- Gender reassignment
- Marriage and Civil Partnership (in employment)
- Pregnancy and maternity
- Race

- Religion or belief

Schools as an employer and service provider will have duties under the remaining protected characteristics.

What is discrimination?

- Direct discrimination (including discrimination based on perception or association)
- Indirect discrimination

- Failure to make reasonable adjustments (for disabled people)

What will this mean at Herne?

Everyone in our school community has a right to be treated with dignity and respect. This includes a right to:

How will we know when we are successful?

Our success will be measured through quantitative indicators such as:

- Unauthorised absence
- Punctuality
- Stability and staffing
- Commitment and involvement of all support staff
- Regular visits / involvement from external agencies e.g. Early Help
- Communication and involvement with parents
- Access to ICT for all learners
- Diversity represented in attendance at extra-curricular activities

Also qualitative indicators such as:

- Playground interaction
- Learning interaction (peers / adults)
- Friendly and caring attitudes
- Members of the school community feel valued
- Displays of work
- A welcoming ethos

Monitoring of the above will help staff and governors to identify areas of existing and emerging inequality.
